

MasseyHacks IV

Transparency Report

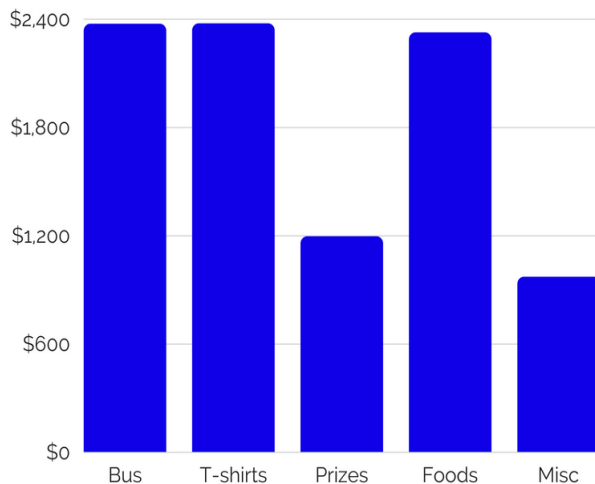

2017-2018

## Overview

MasseyHacks IV took place on the weekend of April 28-29, 2018 at Vincent Massey Secondary School. For 24 hours, 158 participants from all over the province gathered in Windsor, Ontario to build projects using new technologies. This document covers everything that happened behind the scenes.

## Budget

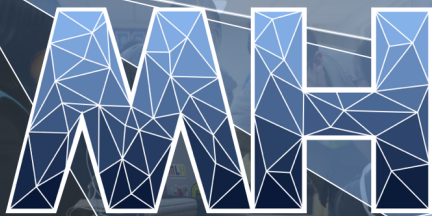

We sent a bus to Toronto, picking up mentors and participants from the GTA and Waterloo area. The entire event cost **\$9238.91** CAD. Miscellaneous costs included items such as wristbands, power bars, 3D printing filament, and name tags.

## Mentors

We had 13 mentors at the event to resolve any issues the attendees had with their projects. These mentors came from Windsor, Lasalle, Waterloo, and Richmond Hill.

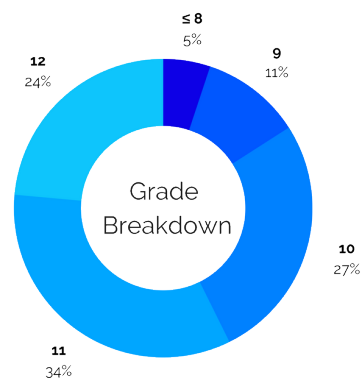

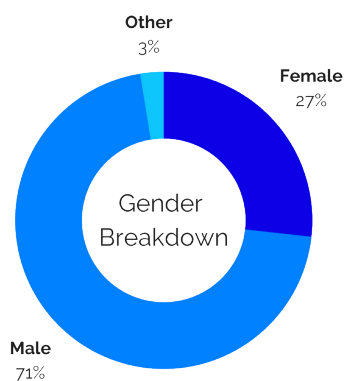

## Workshops

There were 6 workshops at the event, these included: Intro to Python, Intro to Web Dev (using JavaScript, CSS and HTML), Intro to Arduino, Intro to Machine Learning (using Python Anaconda), Intro to Android Studio, and Intro to 3D Modelling and Printing (using Fusion 360 and Cura).
